Fig Leaf Rag: A Black Garlic & Black Mission Fig Sourdough

Bruce's Breads

Estimated, USDA-derived -- per slice, 14 slices per loaf (with walnuts)

⚠ CONTAINS

- **Wheat/Gluten**
- **Tree Nuts (walnuts, if used)**

Calories	**~180 kcal**
Total fat	**~3.5 g**
Protein	**~6 g**
Carbohydrates	**~32 g**
Dietary fiber	**~3 g**
Sugars	**~4 g**
Sodium	**~280 mg**

NOTABLE VITAMINS & MINERALS

- **Black mission figs:** dietary fiber, with potassium, calcium and magnesium; drying concentrates the sugar, so more of a sweet than a superfood.
- **Black garlic:** keeps altered forms of fresh garlic's sulfur compounds, which researchers are still studying; flavor first, nutrition as a bonus.
- **Whole wheat and dark rye:** fiber, magnesium, iron and B vitamins that white flour has largely milled away.
- **Walnuts:** a good plant-based source of omega-3 ALA, plus magnesium and copper.

Some dried figs contain sulfites. White miso (soy) and Gorgonzola (milk) variations add those allergens.

Estimated, USDA-derived figures — not a lab-verified nutrition label. Baked fresh, no preservatives.
