NOTABLE VITAMINS & MINERALS

- **Spelt and einkorn:** iron, magnesium, manganese, and a handful of B vitamins that standard bread flour has largely milled away.
- **Walnuts:** one of the better plant-based sources of omega-3 alpha-linolenic acid (ALA), plus magnesium and copper.
- **Craisins:** a modest amount of vitamin C and vitamin K, plus some of cranberries' polyphenols — though drying adds sugar, so more treat than superfood here.

A summer-friendly loaf built for flavor and crunch as much as nutrition — the ancient grains and walnuts do the heavy lifting on the latter.

Estimated, USDA-derived figures — not a lab-verified nutrition label. Baked fresh, no preservatives.
