Pain au Chocolat: A Laminated Sourdough Pastry

Bruce's Breads

Estimated, USDA-derived — per pastry (9 pastries per batch)

⚠ CONTAINS

- **Wheat/Gluten**
- **Milk**
- **Egg**
- **Soy (chocolate batons, brand-dependent)**

Calories	~460 kcal
Total fat	~27 g
Protein	~8 g
Carbohydrates	~46 g
Dietary fiber	~2 g
Sugars	~15 g
Sodium	~230 mg

NOTABLE VITAMINS & MINERALS

- **Bread and pastry flour (enriched):** iron, thiamin, riboflavin, niacin, and folic acid — standard fortification for most wheat flour sold in the U.S.
- **European-style butter:** a meaningful source of vitamin A, used more heavily here, proportionally, than in a standard enriched dough.
- **Bittersweet chocolate:** a genuine source of iron and magnesium, plus flavanol antioxidants better preserved in darker chocolate.
- **Egg white wash:** a small amount of protein and riboflavin, though the amount brushed on any one pastry is modest.

A rich, buttery, chocolate-filled pastry by design — the point of a laminated dough this deliberate, not an oversight.

Estimated, USDA-derived figures — not a lab-verified nutrition label. Baked fresh, no preservatives.
