Boo-gasse

STEP-BY-STEP, CONDENSED

STEPS 1-4

1. Feed a 70/30 starter 6-8 hrs ahead, or use 120 g of discard plus 1 g of instant yeast.
2. Pit the Castelvetrano olives, rinse and pat dry, and cut into 1/4-3/8 in pieces. Rinse and dry the Kalamata for decoration and keep them separate.
3. Whisk water and starter, stir in the flour, and rest 30 min. Add the salt and olive oil; target 75-78°F.
4. Stretch-and-fold at 30 min. At the 60-min set, fold in the Castelvetrano pieces; do one more set 30 min later. Bulk 3-4 hrs total until about 50% larger and airy.

NOTES

STEPS 5-8

5. Divide into six ~160 g pieces; pre-shape and rest 20 min, covered.
6. Press each piece to ~1/2 in thick on parchment, cut with a large Halloween cookie cutter, cut slits inside the shape, stretch them open, and press Kalamata in for eyes and mouths.
7. Brush with olive oil and proof 30-45 min while a steel or stone preheats at 475°F for 45+ min.
8. Bake 14-18 min until deep golden; brush with olive oil. Skip flaky salt -- the olives provide plenty.
